

Endless Pools® Fitness Systems E2000

Many goals. Two zones. Total Versatility.

A fitter body, more family time, less stress ... you can achieve and exceed your goals with the Endless Pools® Fitness Systems E2000. Our top-of-the-line swim spa features the innovative technology and bold design that Endless Pools is known for, the result of over three decades of evolution.

Get motivated by our signature current, smooth and adjustable for all-level workout resistance and swimming in place. And just watch how much active fun kids have with it! Add our exclusive underwater treadmill for even more fitness versatility. And with two independently controlled sections, you can get active in 29 °C water, then unwind with hydromassage jets at a luxurious 40 °C. For timeless beauty and extraordinary functionality, bring the E2000 to your home.
